**This book is a dark erotic story and is written to be disturbing.**

**It contains graphic sex and violence.**

**How far would you go to protect your love and your life?**

When two deaths turn his world upside down, Klaus must wrestle with a problem that goes soul deep. With Jodie it was capture fantasy but now he's made the fantasy real, dragging her along as his accomplice. No one should feel so good about something so wrong.

Maybe his soul is darker than he feared. Maybe the rules shouldn't apply to him.

Warning: Dark erotica, Mff with BDSM themes, capture fantasy, and dubious consent.

Contains spanking, bondage, caning and piercing, and one alpha possessive man about to toss aside his morals and take what he wants.
