Leonard S. Lilly MD

The new edition of this popular study guide provides a current, clear, comprehensive, and concise overview of all aspects of cardiovascular medicine through an easy-to-use, question and answer format. All information is cross-referenced to pertinent sections from the new 8th Edition of Braunwald's Heart Disease, and, in most cases, additional journal articles. More than 800 questions-all accompanied by detailed answers-offer a thorough review of the parent text, while revised images and illustrations-also from the 8th Edition-aid in comprehension. Case problems further enhance your study for the Subspecialty Examination in Cardiovascular Disease, and offer a greater understanding of modern cardiovascular medicine.

- Offers a clear, comprehensive, concise review of all aspects of cardiovascular medicine through an easy-to-use, question and answer format.
- Includes more than 800 questions-with detailed answers-related to the parent text, for a complete review of the contemporary practice of cardiovascular medicine.
- Provides extensive answers for each question with keys to the pages of the text for further reading.
- Features case problems from all sections of the text to enhance your study and preparation for board review exams.
- Features images and illustrations-revised for better comprehension-from the new 8th Edition of Braunwald's Heart Disease.
