Let the Bunker Burn: The Final Battle With Move Charles W. Bowser

Let the Bunker Burn examines the events that took place in Philadelphia on May 13, 1985, during a confrontation with a cult named MOVE. City officials, including the mayor, approved a police plan to drop a bomb on the MOVE house. The explosion caused a raging fire that was allowed to burn out of control until it had consumed 61 homes and 11 MOVE members, including several children. In the aftermath there were cover-ups, excuses, and perjury. Bowser reveals disturbing conclusions about how the children were killed, why the bomb was dropped, and why the fire was permitted to burn unchecked.
