In 1994, Lizbeth Meredith said good-bye to her four- and six year-old daughters for a visit with their non-custodial father?only to learn days later that they had been kidnapped and taken to their father's home country of Greece.

Twenty-nine and just on the verge of making her dreams of financial independence for her and her daughters come true, Lizbeth now faced a \$100,000 problem on a \$10 an hour budget. For the next two years?fueled by memories of her own childhood kidnapping?Lizbeth traded in her small life for a life more public, traveling to the White House and Greece, and becoming a local media sensation in order to garner interest in her efforts. The generous community of Anchorage becomes Lizbeth's makeshift family?one that is replicated by a growing number of Greeks and expats overseas who help Lizbeth navigate the turbulent path leading back to her daughters.
