David Zarefsky

**Public Speaking: Strategies for Success (8th Edition)** David Zarefsky

*For courses in Public Speaking.*

## Teach Readers Sound Strategies for Public Speaking

*Public Speaking: Strategies for Success* gives readers the tools they need to think critically, plan strategically, and speak effectively. By thinking analytically, organizing ideas, doing sound research, and properly assessing their audiences, readers learn how to successfully inform and persuade. In the process, they build necessary skills for many other areas of life.

The **Eighth Edition** builds on the idea that public speaking is a strategic practice. It allows readers to recognize that public speaking is an art dictated by the dynamics of an audience. By learning a set of norms and expectations and strategizing how to plan for any situation, readers are better able to achieve their public speaking goals. Students learn to prepare for any public speaking situation by assessing different strategies and developing habits of analysis and memory through examples, activities and sample speeches. Emphasis on underlying theory throughout helps readers understand how certain speakers and their audiences engage one another.

## Also available with MyCommunicationLab®

MyCommunicationLab for the Public Speaking course extends learning online to engage readers and improve results. Media resources with assignments bring concepts to life, and offer readers opportunities to practice applying what they've learned. Please note: this version of MyCommunicationLab does not include an eText.
