Studies on the Haggadah from the Teachings of Nechama Leibowitz

Based on the teachings of Nechama Leibowitz, one of the outstanding scholars of the Hebrew Bible of the 20th century, this book presents more than 100 analytical questions relating to the Passover Seder and the Exodus from Egypt. The questions are extracted from Leibowitz's renowned weekly Torah study sheets and guide readers through an analysis of the Haggadah text and the sources upon which it is based. The editors, both former students of Nechama Leibowitz's, provide suggested answers. In addition to the English translation, the full Hebrew text of the Passover Haggadah is provided.
